

Mercury Players Is
Storming the Stage

Blitz V

Back with a
vengeance for its
Semidectennial!

24 Hours
From Pen
to Curtain

We Lock Up 8 Writers
In a Spooky Mansion
and Give them 12 Hours and
a six-pack of cheap beer, and
barring any stabbings, eight new
crazy plays are born by dawn.

In the morning, the directors,
actors, and tech crews take these
newborn masterpieces to the
theater incubator, where they are
fed, clothed, rehearsed,
and set loose on the town.

Witness the mayhem.
